

PRECISION METALLIC GASKETS

Reliable sealing solutions for marine, power generation and industrial engines

- ✓ In-house Manufacturing
- ✓ Custom-Engineered Solutions
- ✓ Short Lead Times
- ✓ High Precision Manufacturing
- ✓ Worldwide Delivery
- ✓ Engineering Experience since 1961
- ✓ Certified Quality Management
- ✓ Comprehensive Quality Inspection
- ✓ Full Material Traceability

MS-Halteringe

turned parts
gedrehte Teile

special gaskets
Spezialdichtungen

soft material seals
Weichstoffdichtungen

large engine gasket
ship gasket supplier since 1967

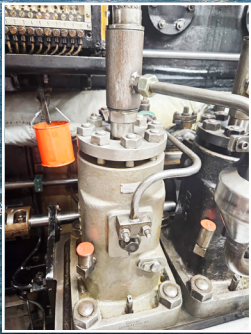

FISCHER PLATH

Die Kunst des Dichtens.

Cap San Diego

The Cap San Diego is the world's largest operational museum ship.

We support the preservation of this important piece of maritime engineering heritage by donating spare parts, such as seals for its main engine.

gasket for fuel injection pump
Dichtung Brennstoffeinspritzpumpe
